Experience

Animator
Sep 2012 - Present

Technicolor India

Projects Nickelodeon's Teenage Mutant Ninja Turtles, Dreamworks' Dragons: Riders of Berk, Dreamworks' Puss in Boots, Dreamworks' King Julien

I am responsible for animating various acting and action sequences of key characters for all the shows. I also set up screen compositions and animated complex camera movements for various sequences.

Junior Animator
May 2011 - Sep 2012

Sanraa Media

Project The 99: The Animated Series

I animated key acting and action sequences for characters and set up camera moves for multiple sequences in the show. I was also responsible for checking continuity and the overall quality after the animation pass was completed.

Graphic Design Intern
Dec 2009 - Feb 2010

iNexGen Games

I was taken in during the early stages of the company, and had the opportunity to design the company logo and other branding materials. I also developed the user interface for their flash based games.

Creative Head
Sep 2008 - May 2009

Computer Society of India, Loyola Students Chapter

As the founding creative head, I designed the branding material and logo for the chapter.
I was also responsible for designing and writing newsletters and advertising materials for events conducted by the chapter.
